

**Senior Canyon Tunnel/Horizontal Well Rehabilitation Project
Construction Contract,
Ojai, CA**

Senior Canyon Mutual Water Company

Notice: Request for Qualifications (RFQ)

RFQ Close Date: 10/14/22 at 05:00 pm PT

Trades: General Contractor, General Engineering Contractor, Tunnels

The Senior Canyon Mutual Water Company, located in the Ojai Valley, Ventura County, CA, is soliciting written Statements of Qualifications (SOQs) from qualified firms or teams (Respondent) to provide design-build construction services for the Senior Canyon Tunnel/Horizontal Well Rehabilitation Project. This project is to restore water production and address maintenance and safety issues for the Senior Canyon Tunnel/Horizontal Well, which was constructed in 1929 as a 3500-foot long water well drilled horizontally into the fractured bedrock of the Santa Ynez Mountains. From the SOQs submitted, the Company intends to select a short list of qualified firms and issue a Request for Proposals (RFP) to the short-listed firms.

SOQs shall be submitted by firms that have a capable and demonstrable background in the type of work described in the RFQ. In addition, all interested firms or teams shall have sufficient, readily available resources in the form of trained personnel, support services, specialized subconsultants, and financial resources to carry out the work without delay or shortcomings.

The RFQ is available on September 30, 2022 from the Senior Canyon website at <https://seniorcanyonwater.com/> or by request via email to Michael Weaver at amweaver@pacbell.net.
